

Wombwell Medical Centre

Need help managing your NHS healthcare?

We're testing an easy online application form where someone you trust can apply for access to your GP services to act on your behalf.

They may be able to:

- have access to your NHS information online
- book appointments
- manage your repeat prescriptions
- contact the surgery for you

Do you want to find out more?

- visit www.onlineregistration
- ask at the front desk for a leaflet, or
